Being a part of this team will require commitment and sacrifice. Your presence is very important at team training, work parties, and church sharing times.

Besides this sacrifice of time we are asking each member to make a financial sacrifice/commitment by contributing at least \$100. There will be many opportunities to ask others for support and to communicate your willingness to personally contribute will enhance your trip greatly. Following team selection, the time line for personal contributions will be decided.

I have read the above statement and understand what is required of me for this mission trip:
