The snow was fun, however, it was good to be back together at church this week! Thank you Mrs. Pate for sharing how John the Baptist was called and faithful to prepare the way for God's son here on earth. A few things Mrs. Pate wanted us to remember; there is a difference between being sorry & showing true repentance, and being baptized is a way to show others we have chosen to commit our lives to Christ.

Memory Verse:

We are working together to fill the jar with marbles to earn a SS ice cream party! If you are working on a verse at school, home or the SS verse, come tell me your verse before or after SS. Watch the marble go down the maze and into the jar!

Matthew 5:43-45

43 "You have heard that it was said, 'Love your neighbor and hate your enemy.' 44 But I tell you: Love your enemies and pray for those who persecute you, 45 that you may be sons of your Father in heaven. He causes his sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous."

Coming Up:

There will NOT be Sunday School February 12th, the weekend of the Ladies Retreat.

Hope to see you all Sunday!

Luke 3:22 ...and the Holy Spirit descended on him in bodily form like a dove. And a voice came from heaven: "You are my Son, whom I love; with you I am well pleased."
